Both packages include everything you need to create a professional and inviting stand, including walls, furniture, storage space, power, and flooring. The Premium package also includes a graphic on your back wall.

To make your registration complete, you can order an additional full service catering package. Ask the METSTRADE Sales team for more information.

We'd like to learn more about your preferences

As an exhibitor, you can rank your top three preferred locations. We will consider your preferences when assigning stand locations,

and we will do our best to accommodate your requests. If we are unable to assign you to one of your preferred locations, we will allocate you an alternative location that is as close to your preferences as possible. If you have not rebooked before 1 March 2024 (Early Bird deadline) you will risk losing your preferred locations. The official allocation of stand space will be issued in June 2024.

How to rebook your stand at METSTRADE 2023?

- Rebook with a METSTRADE representative. They will visit your stand to discuss your needs and help you find the best stand space for your company.
- Rebook at the METSTRADE (Re)Booking office in Hall 13 at stand 13.104. A METSTRADE team member will be available to help you rebook your stand and answer any questions you have.
