

# SET COURSE FOR METSTRADE 2024

19 - 20 - 21  
NOVEMBER 2024  
RAI AMSTERDAM

## Essential rebooking information

The SuperYacht Pavilion is unique in its kind. The area has been a huge attraction to exhibitors and is known as THE place where the superyacht supply chain comes together. For 2024, the SuperYacht Pavilion will remain at its existing location: Halls 9, 10, 11. The combination with Superyacht Forum Live (organised by the SuperYacht Group) makes SYP a very powerful trade platform for builders, captains, management companies, interior designers, naval architects and many more.

### We'd like to learn more about your preferences

Space at SYP 2024 is limited. Applications will be served on a first come, first serve basis. As an exhibitor, you can rank your top three preferred locations. We will consider your preferences when assigning stand locations, and we will do our best to accommodate your requests. If we are unable to assign you to one of your preferred locations, we will allocate you an alternative location that is as close to your preferences as possible. If you have not rebooked before 1 March 2024 (Early Bird deadline) you will risk losing your preferred locations. The official allocation of stand space will be issued in June 2024.
