

# Optimization of crops in controlled environments

QUERÉTARO CENTRO DE CONGRESOS  
12 – 14 MARCH 2024

**GreenTech Americas** is grateful with the exhibitors for the success and sold-out of the Stage at each edition, so we will **NOW** have **TWO STAGES** for talks!

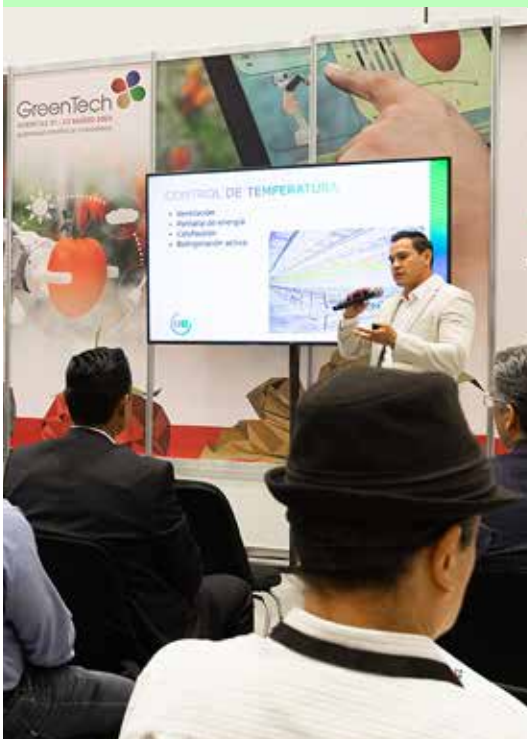

Present and highlight the trends of **technology, services** and **products** of your company

Create a group of potential **clients** interested in your products and solutions

By reserving your space at the **GreenTech Stage** you will have the following services:

30 minutes presentation

Theater set up for 30 attendees

Laptop, screen and headsets for silent conference

AV Technician

Fee per presentation

**\$350 USD** + 16% Administrative Fee

In addition **GreenTech Americas** will publish the Stage on the website and Exhibitor's Guide, according to the confirmation of the talk.

**Remember that the success of these talks also depends of the promotion that you carry out.**
