# Networking

Connections and Meetings are a core element of a successful event experience. We've made this as easy as possible distilling it down to just 4 simple steps to get a calendar full of meetings:

## ● Request

Get recommendations, search and scroll through lists to request meetings for a time and date that works for you.

## ● Accept

Receive incoming meeting requests via notifications or in your email and accept them to have them synced to your personal calendar.

## ● Meet at the show

Attend to your pre-scheduled meetings and be on time.

## ● Rate

Give anonymous feedback on your meeting with "Good", "Bad" or "Didn't Happen" and give a reason for your rating to qualify your post-event follow-ups.

### PRO TIP

To get the best recommendations of people to meet and increase the chances that people accept your meetings one element is absolutely crucial: **complete your profile!**
