If you have questions regarding stand construction or graphics, please do not hesitate to contact Exhibitor Services via es@rai.nl

DEADLINE TO UPLOAD YOUR GRAPHIC FILE(S): 10-05-2024

UPLOAD LINK FOR YOUR GRAPHIC

Early February you'll receive an e-mail with a link. Via this link you can upload the file with the artwork of your full colour visual and order extra graphics. After uploading files, the total costs will be displayed. When you click on the confirmation button you approve the files for printing and additional extra costs. The invoice will follow within two weeks after the show.

After the deadline, no more files will be accepted (without exceptions) and the GreenTech team decides what will be on the visual. See example in the visuals of the stands.

SPECIFICATIONS GRAPHIC

- Measurements standpackage visual: 1984mm width x 3472mm height;
- Files: Only PDF;
- Resolution: 100 DPI for high resolution, 70 DPI (minimum) for large format prints (on final format);
- Ratio: Format file in proportion, preferably 10% or 100% of the final size (2000mm width x 3500mm height);
- Solid colours: Use the PMS colour palette, then state the PMS type and number;
- Texts: Convert to letter outlines.
- Please note, doors can't be printed.
- Please note, do not place letters or images on the edges of the print.

Please note: the location of lockable storage is the same as in picture and the attached visuals are a general example.
