Think ahead.

\$468 bil.

The global commercial cleaning market could reach \$468.2B in revenue by 2027.

6.6%

The cleaning industry has grown 6.6% every year since 2011.

87%

of B2B marketers say in-person events are a critical component to their company's success

As a first-time exhibitor at InterClean, we were overwhelmed with interest in our innovative solutions. The show was well organised and provided fantastic networking opportunities for us as well as potential customers and partners. We look forward to the next show.

Kevin Muckle,
Managing Director,
Vycel
