Network	Yes	RAI wifi is the public wifi in the Congress Centre and organisers offices. It is suitable for meetings and conventions hosting up to 1,500 visitors per day. RAI wifi supports basic internet usage, such as e-mailing, browsing and social media (max 2 Mbps per device) - and is not suited for the use of event apps, heavy downloading or for use during interactive sessions, workshops, voting or comparable functions. Visitors can connect to the network by switching on wifi on their device and selecting the 'RAI wifi' network. Automatically a page will be displayed where the user has to accept our Terms & Conditions.
